

## Product Highlights

### Share Mobile Broadband

Share an HSPA+ connection with multiple Wi-Fi devices such as smartphones, tablets, PCs, video game systems, and more

### Protect Your Network

A built-in firewall protects against attacks over the Internet, and industry-standard WPA/WPA2 security prevents unauthorized access to your network

### Share Internet Anywhere

The DWR-720 is small enough to fit in your pocket and has a high-capacity rechargeable battery that lets you work online for longer

## DWR-720

# HSPA+ Mobile Router

## Features

### Connectivity

- USIM card slot for connection to mobile Internet services
- Compatible with 802.11n/g/b wireless devices
- microSD card slot allows you to add storage
- Micro-USB port for easy charging

### Portability

- Up to five hours of battery life in one charge gives you true mobile connectivity
- Small size lets you drop it in a bag or pocket and take it wherever you go

### Security

- WPA/WPA2 Wi-Fi security protocols provide the latest in wireless security
- Built-in firewall keeps unwanted intruders out
- Wi-Fi Protected Setup (WPS) for one-touch secure setup with other devices

D-Link's DWR-720 HSPA+ Mobile Router uses your HSPA+ Internet connection to give you a fast Wi-Fi network anywhere you need one. Instead of being confined to one Internet-connected device through a USB dongle, the DWR-720 allows you to create and share Wi-Fi hotspots anywhere you have a 3G signal. The convenient size means you can take it with you and share your connection anywhere; use it in a cafe to send e-mails while your friend reads the news. Have your laptop, phone, and tablet all connected to the Internet at the same time using just one mobile Internet service.

## Connect and Share Anywhere

The DWR-720 is the perfect companion when you are in areas without wired Internet. Simply insert your data-enabled USIM card, and this handy device lets you share your Internet connection anywhere with friends or family. Let them connect to your Wi-Fi network and they'll be able to browse the Internet and enjoy your 3G Internet connection.

## Security Features to Keep Your Network Safe

The DWR-720 HSPA+ Mobile Router is easy-to-use and includes a host of security features. The built-in firewall keeps connected computers and other devices safe from Internet intrusions, while WPA security encryption prevents unauthorized users from connecting to your network. Wi-Fi Protected Setup (WPS) helps you to create a secure wireless network, and add new devices with just the touch of a button, getting you securely connected in no time.

## Total Portability

The DWR-720's small size means you can easily slip it into your pocket or bag and take it with you wherever you go. The rechargeable 2000 mAh Li-ion battery allows you to stay connected for longer between charges, or use it as a powerbank to charge your other mobile devices. Universal Plug and Play (UPnP) means there's no complicated software to install so you can get online with the DWR-720 HSPA+ Mobile Router with ease.

**Order Information**

# DWR-720 HSPA+ Mobile Router

<i>Part Number</i>	<i>Description</i>
DWR-720	HSPA+ Mobile Router

<sup>1</sup> Supported frequency band is dependent upon regional hardware version.

<sup>2</sup> Data rates are theoretical. Data transfer rate depends on network capacity and signal strength.
